

TRAY TOTAL IS PROBABLY THE BIGGEST COLLECTION IN THE WORLD

COLLECTOR'S CORNER...Drinks tray fanatic Richard Percival

Richard's search hits town

A MAN with 1,000 drinks trays, thought to be the biggest collection in the world and more than a town full of pubs, will be in Glossop this weekend looking for more! But Richard Percival admits finding a relic of Glossop's only brewery will be pretty remote. Richard, 32, said: "There was one in Whitfield but it closed in 1910." Richard wants trays from Derbyshire, Staffordshire and Manchester breweries. If you can help, drop him a line at 15 Holker Close, Westbourne Park, Lancaster LA15 1VW, or contact 01524 68979.
